## **Napoleon Boosts Outdoor Adventures with New, Durable Travel Grills**

Three compact models offer premium features and maximum portability

**CRITENDEN, Ky. (Feb. 8, 2022)** – The grill gurus at [Napoleon@ USA](https://www.napoleonusa.com) are bringing the heat this winter, introducing new, compact grills built to go where you go.

As Americans approach the two-year mark of pandemic lifestyle disruptions, many have turned to outdoor adventures as means of both slowing the spread and escaping daily routines. With outdoor cooking on the rise, Napoleon sought to make the perfect sear more accessible and more convenient than ever before.

The new Freestyle Natural Gas Barbecue packs premium features in a convenient, space-saving size. Freestyle includes two models, F365 (three burners) and F425 (four burners), providing heat that can be easily controlled by ergonomic knobs and monitored by the onboard temperature gauge.

Both models include Napoleon's exclusive JETFIRE ignition system and cast iron porcelainized enamel cooking grids for instant, even heat without the messy cleanup. Rugged wheels and easy-to-fold side shelves, complete with tool hangers and a bottle opener, make Freestyle the perfect companion for any backyard or outdoor gathering.

The TravelQ™ 240 Portable Gas Barbecue (TQ240) is great for gourmet grilling on the go, featuring an impressive 240 sq. in. grilling area. The small, portable grill lights with the just a touch of Napoleon's exclusive JETFIRE Ignition and is powered by a durable, stainless-

steel burner. Its porcelainized cast iron cooking grids feature Napoleon's iconic WAVE™ pattern for easy cleanup. A convenient, removable drip tray keeps mess at bay, while an ultra-accessible firebox make cleaning a breeze and the collapsible legs make storage a snap.

“Grilling can be a fun way to mix up mealtime and we recognize that people are eager to get out of the house,” said Garry Scott, Vice President of Marketing for Napoleon. “Whether it's a weekend camping trip, a neighborhood block party or a game day tailgate, both the Freestyle and the TravelQ™ combine ultimate flexibility with the trusted performance and high-quality construction that Napoleon is known for. We're thrilled to give users more versatility, whether their next adventure takes them across state lines or their own backyard.”

The new grill models are now available at specialty retailers nationwide. For more information, including a dealer locator, visit [NapoleonGrills.com](http://NapoleonGrills.com).

**About the Napoleon Group of Companies:**

Napoleon is North America's largest privately owned manufacturer of quality gas, electric and wood fireplaces, gourmet gas and charcoal grills, outdoor living products and a complete line of heating and cooling equipment. The company with operations in Crittenden, Ky., and Barrie, Ont., began in 1976 when a small steel fabrication business launched by Wolfgang Schroeter started manufacturing steel railings. Since then, Napoleon's commitment to producing quality products combined with honest, reliable service has been the successful framework to the rapid growth of the company which now operates with 2 million square feet of manufacturing space, and employs more than 2,200 associates.
