VECTOR™ AND LUXURIA™ LINEAR SERIES GAS FIREPLACES
napoleonfireplaces.com
Vector™ and Luxuria™ Linear Gas Fireplaces. Limitless Possibilities.

Napoleon introduces the most versatile series of linear gas fireplaces, the award winning Vector™ and Luxuria™ series provides you with an elegant fire element allowing the flames radiant glow to enhance every room, available as single sided or See Thru.

Napoleon’s innovative Bluetooth enabled eFIRE app can be accessed from your mobile device and used to control everything on your fireplace (flame height, LED ember bed colors, blower and more).

Napoleon’s patent pending, industry leading Dynamic Heat Control™ System and Premium Glass Guard allows for installation of combustible materials up to the fireplace opening. This heat management system eliminates the need for loud power vents, fan systems or blowers to provide better heat distribution. Take advantage of simple installation framing and easily install your televisions, sound bars or artwork above the fireplace to truly customize your home decor thanks to the drastically reduced temperatures above the fireplace.

UPDATE
WHERE DESIGN MEETS COMFORT.

Napoleon’s new patent pending heat management system, Dynamic Heat Control™ (DHC), is a system for managing the heat produced by the appliance at or around the fireplace, allowing it to circulate effectively within designated spaces. Design your living space how you imagine with versatile options that avoid complex and costly installation requirements.

Enhance life’s most memorable moments.

NO COMPROMISE FUNCTIONALITY.

This heat management system eliminates the need for loud power vents, fan systems or blowers to provide better heat distribution. Easily install your televisions, sound bars or artwork above the fireplace to truly customize your home decor thanks to the drastically reduced temperatures above the fireplace.

Napoleon’s Luxuria™ Series fireplaces includes the Dynamic Heat Control™ System and Premium Glass Guard, providing a completely unobstructed view of the tallest flames in the Linear Series, eliminating the need for safety screens!

The DHC system is optional for the Vector™ Series fireplaces.
