

**ARLINGTON™**  
GDS20 | Direct vent gas stoves

The Napoleon Arlington™ gas stove is meticulously crafted in cast iron to deliver both tradition and functionality. Its slender, space-saving design and venting make it ideal for smaller rooms, offering efficient heating without compromising aesthetics. Available in sleek painted black or luxurious majolica brown finishes, the Arlington™ comes standard with a MIRRO-FLAME™ porcelain reflective radiant panel, enhancing both warmth and ambiance. Despite its compact size, the Arlington™ boasts a powerful burner system, complete with a lifelike log set and vibrant glowing ember bed, all visible through the European-styled ceramic glass viewing area. Redefine comfort in your space with the Napoleon Arlington™ Gas Stove.
