Controls

Remote

Enjoy added convenience with the included remote—control every function of your fireplace, including power, timer, thermostat, flame, and ember bed from the comfort of your couch.

Control panel

Effortlessly adjust your fireplace settings with the touch of a finger using our control panel.

Innovations

3-sided design

Offers the unique benefit of enjoying captivating flame views from multiple angles for an immersive and cozy ambiance.

Angled front glass

By directing the vent downwards onto the angled glass, this design efficiently spreads warmth into the room, ensuring an inviting atmosphere.
