

ASCENT MULTI-VIEW

BHD4 | Direct vent gas fireplaces

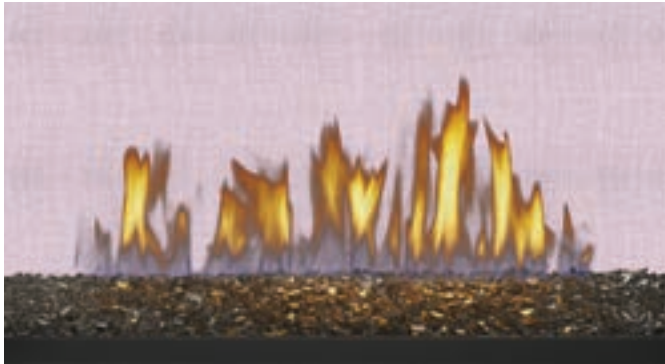

Immerse yourself in the beauty of the Napoleon Ascent™ Multi-View gas fireplace, offering stunning views from multiple angles as it comes in see-through or three-sided peninsula models to fit your space seamlessly. Whether you prefer the timeless charm of logs or the modern elegance of glass media, its unique design ensures the fire commands attention from multiple vantage points, serving as both a focal point and a stylish room divider. With an electronic ignition and a battery back-up system, convenience and reliability are guaranteed, even during power outages. Enjoy the ambiance provided by the Ascent™ Multi-View, transforming any space into a captivating focal point of warmth and style.

Controls

Optional remote

Enjoy added convenience with an optional remote—control every function of your fireplace, including power, flame height, and blower speed, from the comfort of your couch.

Innovations

Battery back-up control

In the event of a loss of power, your fireplace will still light and keep you warm—requires 4 AA batteries (not included).

Direct vent

Effectively removes exhaust and fumes from your space, keeping your indoor air clean while also conserving energy.

Dimensions

Model No.	Width	Height	Depth
BHD4ST	45"	38 ¼"	25 ⅛"
BHD4P	43 ¼"	38 ¼"	25 ⅛"

Experience the Power of Fire

Napoleon's Power of Fire research has proved a fireplace can help reduce stress and stimulate your brain.
