FIND YOUR HAPPY (fire)PLACE.

Throughout the ages, people have gathered around fires to share in life’s greatest joys.
There’s just something about the glow of flickering flames that makes special moments feel even warmer.
A Napoleon fireplace is uniquely designed to brighten the vibe of any room in your house. Napoleon has an incredible range of designer options to fit any vision.
A fire not only raises the warmth and ambiance of a room, it can raise the value of your home. A fireplace offers some of the highest returns of any remodeling project. And that should make you feel good all over.
And so you can keep enjoying that positive glow for years and years and years to come, every Napoleon fireplace is backed by the President’s Limited Lifetime Warranty.

Napoleon’s Hot Spots Research Study delivers insights on key areas of the home.
In particular, how to help you add relaxation, social interaction and functionality to rooms to enhance your memorable moments.
Throughout this brochure we will share some of our insights with you.
For more inspiration visit napoleonfireplaces.com/inspiration

We are proud to be recognized as one of Canada’s Best Managed Companies and are dedicated to providing quality, home comfort products for over 40 years and counting.
**Ascent™ 30**

Infinite Opportunities

Napoleon’s Ascent™ Series has endless opportunities and is perfect for home builders and homeowners alike. The Ascent™ 30 is the smallest fireplace in the series and is the perfect option when space is at a premium. With up to 15,000 BTU’s and Napoleon’s exclusive PHAZER® glowing log set, it provides plenty of cozy heat.

Enhance Your Ember Bed

Napoleon Fireplaces offers an entire line-up of completely customizeable, media enhancement kits. The three kits are; the Beach Fire Kit that consists of 4 driftwood logs, a Shore Fire Kit that consists of rock, sand, vermiculite and glass and a Mineral Rock Kit that consists of rocks in a variety of shapes, sizes and colors. These kits can be used as stand alone media or you can pick and choose elements from all 3 Kits to be mix & matched to create a custom look. Completely customize your fireplace to your desired style.

**Beach Fire Kit**
Comes with four driftwood logs

The Beach Fire Kit includes four pieces of driftwood styled logs.

**Shore Fire Kit**
Comes with a variety of Rock, Sand, Vermiculite and Glass

The Shore Fire Kit includes a well balanced mixture of rocks, sand, vermiculite and glass available in various sizes.

**Mineral Rock Kit**
Comes with rocks in a variety of shapes, sizes and colors

The Mineral Rock Kit is a mixture of different sized rocks in black, red, blue and grey.

- Optional blower Kits available (all models excluding BHD4)
**Outstanding Features**

of Napoleon’s Advanced Technology

---

**Advanced Burner Technology**
Napoleon’s sophisticated burner system offers superior flame technology. Strategically placed burner ports create the most realistic YELLOW DANCING FLAMES® in the industry.

---

**Finely Tuned Precision Valves**
Surrounded with a protective cast aluminum jacket, the precision valves allow for ultimate reliability and 100% SAFE GUARD™ gas control system.

---

**Minimum 30% savings on heating costs with Zone Heating**
Zone Heating means you are heating the rooms that you use the most with an alternate heat source, like a Napoleon gas fireplace. Zone Heating is the obvious solution for families concerned about rising fuel costs.

---

**Outstanding Craftsmanship**
Fine details are designed in every aspect of Napoleon fireplaces... individually handcrafted with pride of excellence to last a lifetime.

---

**Safety Screens**
Napoleon, leaders in design & technology have developed safety screens with aesthetically pleasing designs for every gas appliance to ensure ultimate safety and peace of mind for your family.

*Finishing flange depth (The finishing flange defines the perimeter of the fireplace opening. Framing or finishing materials must NEVER encroach inside the finishing flange*
Consult your owner’s manual for complete installation instructions and proper clearances to combustible materials. Check all local and national building codes and gas regulations. All specifications are subject to change without prior notice due to on-going product improvements. Products may not be exactly as shown. Flame height and activity is influenced by varying vent configurations and may not appear as shown. Napoleon® is a registered trademark of Wolf Steel Group Inc. EnerGuide - A Canadian efficiency standard based on frequent, short start-up and cool-down cycles. All appliances sold in Canada are subject to this EnerGuide rating system. AFUE - A US efficiency standard (Department of Energy) based on extended on/off cycles, more typical of fireplace usage. Steady State - Reflects the highest possible overall heating efficiency.
