Find your happy (fire)place.

Throughout the ages, people have gathered around fires to share in life's greatest joys. There's just something about the glow of flickering flames that makes special moments feel even warmer.

A Napoleon fireplace is uniquely designed to brighten the vibe of any room in your house. Napoleon has an incredible range of designer options to fit any vision.

A fire not only raises the warmth and ambiance of a room, it can raise the value of your home. A fireplace offers some of the highest returns of any remodeling project. And that should make you feel good all over.

And so you can keep enjoying that positive glow for years and years and years to come, every Napoleon fireplace is backed by the President's Limited Lifetime Warranty.

We are proud to be recognized as one of Canada's Best Managed Companies and are dedicated to providing quality, home comfort products for over 40 years and counting.
Napoleon’s Hot Spots Research Study delivers insights on key areas of the home. In particular, how to help you add relaxation, social interaction and functionality to rooms to enhance your memorable moments.

Throughout this brochure we will share some of our insights with you. For more inspiration visit napoleonfireplaces.com/inspiration
Arlington™
Compact in Size - Huge in Style

The Arlington™ cast iron gas stove, with its slender, space saving design and 45º venting, is perfect for smaller rooms. The Arlington™ is available in metallic black or a porcelain enamel majolica brown finishes and includes MIRRO-FLAME™ Porcelain Reflective Radiant Panels. Even though small in size, it holds a large PHAZERAMIC™ burner system, PHAZER® log set and brightly glowing ember bed that can be viewed through the European styled ceramic glass viewing area.

Options & Accessories

- F45 & F60 Remote Controls
- MIRRO-FLAME™ Porcelain Reflective Radiant Panels (included)
- Easy access hidden control panel
- 45º venting for versatile horizontal or vertical installations

Metallic Black Finish
GDS20
Up to 20,000 BTU's
19 1/4" W x 25 3/8" H
For more detailed specifications on this unit, see page 17
Bayfield™

Your Choice of Three Designer Colors

The Bayfield™ cast iron stove comes in three designer colors that will look great in any home or cottage. The built-in secondary heat exchanger provides excellent heating efficiency and heat retention. Other features include a cost saving electronic ignition with battery back-up, flame/heat adjustment, ceramic glass and an exclusive NIGHT LIGHT™ which creates a warm glow even when the stove is not on.

Options & Accessories

- F45 & F60 Remote Controls
  - On/Off with Digital Screen
- MIRRO-FLAME™ Porcelain Reflective Radiant Panels
  - (included)
- Built-in NIGHT LIGHT™

Metallic Black Finish

Winter Frost Finish
GDS25
Up to 24,500 BTU’s
23 1/2” W x 25 5/8” H
For more detailed specifications on this unit, see page 17
Castlemore™
More Than Just a Reliable Heating Source

The Castlemore™ cast iron gas stove adds more than just a reliable heating source to your home. With its sleek curves and tall, slender stature, it becomes the ultimate focal point for any room. The Castlemore™ comes complete with Napoleon’s exclusive NIGHT LIGHT™, PHAZERAMIC® burner system, PHAZER® log set and glowing ember bed, creating a beautiful display of YELLOW DANCING FLAMES®. The classic European design will never go out of style and the heating power will provide a lifetime of enjoyable comfort.

Options & Accessories

- Profiame II Remote Control
- MIRRO-FLAME® Porcelain Reflective Radiant Panels (included)
- Decorative Sandstone Brick Panels
- Easily converts from rear vent to top vent

Metallic Black Finish
Summer Moss Finish
Majolica Brown Finish
The Living Room, Kitchen and Bedroom are prime targets for creating Hot Spots. If you get these rooms right, you’ve nailed it!

GDS26
Up to 25,000 BTU’s
23 5/8” W x 35 1/2” H

Knightsbridge, shown in Metallic Black Finish
Advanced Burner Technology
Napoleon’s sophisticated burner system offers superior flame technology. Strategically placed burner ports create the most realistic YELLOW DANCING FLAMES® in the industry.

Finely Tuned Precision Valves
Surrounded with a protective cast aluminum jacket, the precision valves allow for ultimate reliability and 100% SAFE GUARD™ gas control system.

Minimum 30% savings on heating costs with Zone Heating
Zone Heating means you are heating the rooms that you use the most with an alternate heat source, like a Napoleon gas fireplace. Zone Heating is the obvious solution for families concerned about rising fuel costs.

Outstanding Craftsmanship
Fine details are designed in every aspect of Napoleon fireplaces... individually handcrafted with pride of excellence to last a lifetime.

Safety Screens
Napoleon, leaders in design & technology have developed safety screens with aesthetically pleasing designs for every gas appliance to ensure ultimate safety and peace of mind for your family.
